The Corporate Secretary, Atty. Roberto V. San Jose, reported that pursuant to SEC Notice dated February 2024, the notice (or “**Notice**”) of the meeting was published in print and online formats in the business section of the Manila Times and the Business Mirror, both newspapers of general circulation, for 2 consecutive days at least 21 days before the meeting. A copy of the Notice, together with the Definitive Information Statement, minutes of the previous meeting, and other documents related to the meeting were also made accessible through the Company’s website.

Qualified stockholders who successfully registered within the prescribed period were included in the determination of quorum. By voting through proxies or by participating remotely in this meeting, a stockholder was deemed present for purposes of determining quorum.

Based on this, the Corporate Secretary certified that there were present at the meeting stockholders owning at least 1,423,331,979 shares representing at least 78.14% of the outstanding capital stock of the Company, and that a quorum existed for the transaction of business.

The Chairman stated that while the Company was holding the meeting virtually, the Company had taken steps to ensure that the stockholders would have an opportunity to participate in the meeting to the same extent as possible as they would have had the meeting been done in person. In this regard, the Corporate Secretary explained the participation and voting procedures adopted for the meeting. He informed the body that under the Company’s By-Laws, every stockholder shall be entitled to one vote for each share of stock standing in his/her name in the books of the Company. For the election of directors, each stockholder may cumulate his/her votes.

Stockholders who successfully registered for the meeting were given the opportunity to cast their votes by voting *in absentia* or by proxy until June 17, 2024. There were eight (8) items for approval excluding the adjournment, as indicated in the agenda set out in the Notice. The proposed resolutions for each of these items were read out and flashed on the screen during the meeting when the proposal to approve the resolution was presented.

For all items in the agenda to be approved in the meeting other than the election of directors, the stockholders had the option to either vote in favor of or against a matter for approval, or to abstain. The vote of the stockholders representing at least a majority of the outstanding capital stock were sufficient to approve such agenda item.

For the election of directors, the stockholders had the option to vote their shares for each of the nominees, not vote for any nominee, or vote for one or some nominees only, in such number of shares as the stockholders prefer; provided that the total number of votes cast did not exceed the number of shares owned by them multiplied by the number of directors to be elected. The nine (9) nominees receiving the highest number of votes were declared the duly elected members of the Board of Directors for the current term.

Votes received through ballots or by proxy forms were validated by Stock Transfer and Services, Inc., the Company's Stock and Transfer Agent. The results of the voting, with full details of the affirmative and negative votes, as well as abstentions, were set out in Annex "A" of these Minutes

Finally, the Corporate Secretary explained that stockholders, once successfully registered, were also given an opportunity to raise questions or express comments limited to the agenda items by submitting the same through email or the Zoom portal during the meeting. He stated that Management would endeavor to reply to these questions or address these comments at the end of the meeting. Questions not answered would be answered by email.

These participation and voting procedures were also contained in the Definitive Information Statement, which was made accessible to all stockholders through the Company's website.
